on his new book

**A gripping and moving account
of a significant year in history**

2020 will go down alongside 1914,
1929, and 1968 as one of the most
consequential years in history.

This riveting and affecting book is
the first attempt to capture the
full human experience – through
the profiles of seven ordinary
New Yorkers - of that fateful time.

**Thursday,
April 11**
